WEEKLY WORD

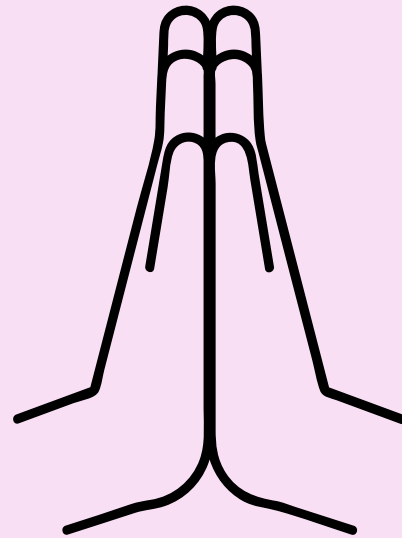

INSPIRATIONAL MESSAGE

Life happens! It doesn't matter how detailed our plans were for 2020; we could not imagine that we would be navigating through this season. All of our plans, hopes, and dreams had to undergo some adjustments because "Life happens!" God knew each of us living on this side of glory would one day recognize the spiritual truth that we do not have the power to control the people and the world around us. However, we can control the way we see and navigate through this season. The Lord promised to go before you and to be with you. God promised never to leave nor forsake you. Today, the Spirit of God is encouraging you not to fear or be dismayed by 2020.

PRAAYER

Lord, recognizing that we are finite, we can only control our faith and commitment to daily grow in your grace. Daily fill us with your Holy Spirit that we can reflect your love in our thoughts, words, and actions. Grant us your wisdom and knowledge on how to overcome the uncontrollable because you have already given us the victory through Jesus Christ. Thank you, Jesus, for never leaving nor forsaking me. God, I love you. In Jesus' name, I pray, Amen!
